## EQUAL EMPLOYMENT AND YOU

The President's Committee on Equal Employment is charged with the responsibility of developing an affirmative plan of action to eliminate discrimination in hiring in accordance to requirements set forth by the Equal Employment Opportunity Commission.

At the present time, the committee is embarked on an intensive information gathering task. As part of this effort, a questionnaire has been sent to all members of the Gallaudet faculty and staff.

If the committee is to fulfill its mission and formulate a realistic and workable policy, they need your help. Please fill out the survey form and return it by October 20.

If you have not received one please contact Marlene Tilberg at 450 or Carol Boggs at 533.
